

Student Scheduling Info Sheet

Rising 11th

Time Line

1. Jan 22- **ADVISORY**-Give students elective choices and grad reqs
2. Jan 26- Electives Fair (11th-1st;10th-2nd; 9th-4th)
3. Feb 4- **ADVISORY**- Give students "how to" go on to portal and choose **REQUESTS** for electives
4. Feb 5-12 Portal open for students to choose requests
(AP acceptances and core classes will be placed in the portal by teachers, counselors, and administration. Students do not put these into the requests.)

NOTE: There is no opportunity for students to change requests or classes once they are entered. There is **NO** "Drop/Add" period.

TOP PRIORITIES

- What is required to graduate?
- What is needed for after high school (university or technical college)?
- What is an area/subject you want to explore or study?

THINK ABOUT

- Be sure to look at the pre-requisites for a class. You will be removed from the class if you do not have the requirements for the class.
- Have I chosen **THREE** alternates beyond my requested electives? There is a good chance you will not get your first choice on all electives. If you do not select **THREE** alternates, they you give up your right to choose your elective
- **REMEMBER:** Once you choose, there is no opportunity for you to change requests or classes once they are entered. There is **NO** 'Drop/Add' period."

WHERE CAN I GET HELP IN PLANNING?

- Teachers/Advisors—especially during the Electives Fair, Jan 26
- Parents
- Counselors

Rising 11th Grader Planner

At this time, you are setting up your schedule with 7 classes, plus alternates.

4 credits of CORE Classes

- Four of the courses you will take next year will be core classes (math, science, English, social studies). These will be put in your schedule for you at a later time.

You have 3 credits of courses to choose.

3 credits of ELECTIVES

- You may pick from Arts, PE, Career/Tech, or foreign language courses.
 - Notice that some course are half courses (.5 credit), and some courses are full credit (1.0). The total number of credits should equal 3.0 credits.
 - Yearbook and Journalism/Scribbler require application and approval and will be added into the student's schedule at a later time. Students should sign up for classes assuming that they do NOT get in the course. The schedule will be changed later for the student when admitted.

Students who are approved for AP classes will have those classes placed in the schedule.

IF you still need your 2nd credit in FOREIGN LANGUAGE, the school will put the next level in for you.

WORKSHEET

School places on schedule:

11 th
Math III/Acc Math III
US History/AP US History
Bio/ Adv Bio/AP Bio
World Lit/ AP Language

Student Chooses

PUT IN 3 ALTERNATE CLASSES:

1. _____ 2. _____ 3. _____

Feb 5-12 The computer portal open for students to put in requests.
